**YOUR DATA,
SECURED IN ONE
PLACE**

**Make managing
your institute easier
than ever before,
with parent and
student interaction**

WHAT IT DOES →

What It Does

Easily keep track of all your student's data, including:

- School Fees
- Exam records
- Emergency contact information
- Teacher information
- Attendance
- And so much more!

**Your school's data will be
organized and easily accessible
without the need for big files
full of paper records**

**Start taking your school
digital today for as low as**

Rs. 15,000

*All the data you need, safely stored in
one place. Contact families easily,
update timetables, maintain school fee
accounts, and so much more.*
